Our Focus

Mission

To provide financial support for the schools of ABC in order to maintain consistently high quality educational opportunities for the children of the communities served

Vision

Every ABC Student, Every ABC School Succeeds

Our Core Values

Community	We seek to strengthen our community as a whole by ensuring that our children receive an excellent education. We support each other in our efforts to raise money for the Foundation.
Integrity	We act with ethical and fiscal responsibility as good stewards of the gifts that have been entrusted to us. We are committed to being open and sharing information about our decision-making. We hold ourselves and others accountable for doing what is in the best interest of our children.
Success	We strive for success in everything we do, working to better ourselves, our children and the ABC Education Foundation.

Guiding Principles

Guiding Principles

- The entire community benefits from public education
- Our tax dollars alone provide insufficient funding for a great public school district
- Supporting a great public school district requires participation from the entire community
- A great public school education isn't free
