Re: 2nd Annual Reading Olympics

Dear Ms. Villa-McDowell:

On behalf of Kennedy STEM Academy, I would like to express my gratitude and thank you and the ABCUSD Education Foundation for your support in our 2nd annual Reading Olympics that is scheduled to take place on February 22, 2014.

This special event was created to foster a love of reading while teaching cooperation and teamwork amongst our students. Our goal is to expand and continue this project so that more and more students become involved each year.

Please know your generous spirit toward Kennedy STEM Academy does not go unnoticed and is much appreciated. It is uplifting to know that we can always count on the giving disposition of you and the ABCUSD Education Foundation and its support.

With much appreciation,

Melissa Valentine
Principal
